Trump Turnberry, a Luxury Collection Resort named Scottish Hotel of the Year 2018

Turnberry, Scotland (May 02, 2018) -The iconic golf resort and property Trump Turnberry, a Luxury Collection Resort has received a total of six awards this year at the Scottish Hotel of the Year Awards 2018. The awards ceremony took place on Sunday, April 22, 2018.

In addition to the coveted “Scottish Hotel of the Year 2018” title, Turnberry General Manager Ralph Porciani was named “Hotel Manager (Large) of the Year 2018” and Banqueting Operations Manager, Alba Moure Torres won the “Rising Star” award. The resort also received national awards for “Luxury Hotel,” “Golf Hotel” and “Events Hotel of the Year 2018.”

A review completed by the Scottish Hotel Awards states, “Trump Turnberry is a genuinely iconic venue that offers everything you need for a journey of unbridled luxury, a jewel in the crown that is Scotland’s west coast. Great sport, supreme comfort and unbridled luxury combine to make this a must-visit destination.”

Over 400 members of the hospitality industry attended the Gala Dinner hosted by Scotland’s leading and longest established hotel awards. Hotels, B&Bs, guesthouses, service apartments and lodges from all regions of Scotland were recognised for their excellence.

“The event was a great success for Turnberry. I am extremely proud of our team who work tirelessly to provide an unparalleled guest experience that is second to none,” said Ralph Porciani, General Manager of Trump Turnberry. “It is gratifying that our dedication to delivering luxury hospitality has been acknowledged by Scotland’s flagship hotel awards.”

Enchanting and exceptional in every way, Trump Turnberry has long been an iconic landmark on the spectacular Ayrshire coastline with stunning coastal views, distinct dining options, indulgent spa treatments, exhilarating outdoor pursuits, and championship golf. With exceptionally designed rooms, suites, villas and self-catered apartments, Trump Turnberry provides the perfect haven for every discerning traveller.
